Kings Extend Our Thanks to You!

Thank you for making the Kings Home Furnishings Althorp Living History Event such a success! Over 100 attendees joined us for hors d'oeuvres

and champagne to hear Earl Spencer speak of the challenge and joy of maintaining one of England's most treasured historic homes. And quite a few of you took the opportunity to do some early holiday shopping and purchase most of the autographed picture frames and boxes on display. We take special pride that you helped make our event the highlight of the Earl's visit to the United States this year.

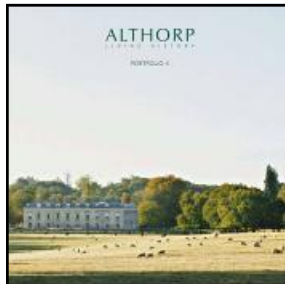

Event Photos Are Available

We have received the photos taken at the Event and are pleased to make *complimentary* electronic copies available. The photos may be viewed on-line by using the following link: Althorp. You may download them directly from the gallery or request a larger copy suitable for printing by calling (404) 355-8995 or emailing me at kings@kingshomefurnishings.net.

Supporting our Future Right Here in Greater Atlanta

Kings is committed to supporting local groups and charitable organizations that are making a difference in our community. For our first campaign we have chosen Circle for Children. Kings will donate 5% of its Oct/Nov sales of the Althorp Living History Collection, including all catalog sales and furniture and

accessories autographed by Earl Spencer in stock. In addition, we will donate all profits from the sale of the large format "Althorp Living History, Portfolio II" during the month. The book is \$50 and includes USPS Priority Mail. Please call (404) 355-8995 to order. Credit cards are accepted for phone orders.

SAVE THE DATE

Join Kings and the Captain Planet Foundation to Save the Environment

And finally, we are so excited to announce our next major event, a gala Charity Auction raising money for the Captain Planet Foundation on **February 6, 2010**. Formed in 1991, the mission of the foundation is to

fund and support hands-on, environmental projects for children and youths around the world. These innovative programs encourage them to work individually and collectively to solve environmental problems in their neighborhoods and communities. We extend our thanks to Laura Turner Seydel and her husband Rutherford for their leadership in the cause of the environment and the opportunity for Kings to offer its support. Additional details will be available in early 2010, but please **save the date**.
